#### HIGHLY CONFIDENTIAL AND TRADE SECRET

We have prepared this unaudited two-volume report for the period from 1st July 2017 to 30th September 2017 as General Partner of CVC European Equity Partners V from information in our possession for the benefit of the Partners only. This report should not be relied upon by any other person.

The report contains confidential and potentially price-sensitive information concerning certain securities, including (among others) shares and corporate bonds which are publicly traded on various exchanges.

By your receipt of the report, you acknowledge that you are aware of the restrictions imposed by the laws of various countries on the purchase and sale of securities by any person who has received such information and on the communication of this information to others.

We are not in a position to determine whether any of the information in this report is insider information within the meaning of the laws of any country, as such determination could be made only in the light of the circumstances in which any disclosure was considered.

Nothing in this report should be construed as advice or solicitation to buy or sell any securities.

The information and opinions in the report are given in good faith. However, we do not make any warranty as to their completeness or accuracy. They are also subject to change without notice.

FEE BASIS: 1.5% of €7 billion plus 1.0% multiplied by the amount of commitments above €7 billion. This is reduced to 1% of net capital invested with effect from the earliest to occur of (i) the date on which the Fund has invested 85% of commitments in Portfolio Companies, (ii) the expiry of the Commitment Period and (iii) the date on which the management fee of a Successor Fund begins.

Portfolio Fee offset : (i) Portfolio Company Fees 80% (ii) Breakup fees : 100% of Funds broken deal expenses offset against breakup fees, thereafter 80% (iii) Directors fees 100%

Note 1: CVC Corporate commitment to Fund V is invested via CVC LP Holdings Limited in Partnership E.

Note 2: PIC = Paid in capital = capital drawn (net of qualified distributions)/total capital commitment

Note 3: DPI = Distributions per paid in capital = distributions (net of carried interest)/drawn capital commitments

Note 4: Allocation based on principles of Clause 3.2 of the LPA - on realised & unrealised investments Note 5: Allocation based on principles of Clause 4.2 of the LPA (\*) – on realisations

Note 1: Deemed Distributions - The amount of any taxes paid by or withheld from the receipts of the Partnership allocable to Limited Partners is deemed to have been distributed.

Note 2: The CIP sub capital account represents the carried interest earned by CVC on realised and unrealised investments to date. If the Fund were liquidated at the date of this statement, at the fair values stated at that point, then the Limited Partners would receive the amount in the LP&CIP interests subtotal.

Note 1: Deemed Distributions - The amount of any taxes paid by or withheld from the receipts of the Partnership allocable to Limited Partners is deemed to have been distributed.

Note 2: The CIP sub capital account represents the carried interest earned by CVC on realised and unrealised investments to date. If the Fund were liquidated at the date of this statement, at the fair values stated at that point, then the Limited Partners would receive the amount in the LP & CIP interests subtotal.

<sup>\*</sup> Capital available for recycling is a potential increase in Unused Commitments pursuant to Clause 3.1(b) of the Agreement of Limited Partnership. This means that the money distributed remains available for recall at a future date. The undrawn amount of unused commitments has not yet been increased by this amount, but it remains available to increase unused commitments at a later date as determined by the General Partner.
